ABOUT US

Our History

The West Suburban Humane Society (WSHS) is a volunteer-based, no-kill animal rescue that was founded in 1972 in the western suburbs of Chicago.

This facility is 100% operated by donations. 25 dogs and 60 cats can be accommodated at one time and the shelter is always at capacity.

Our Mission

At West Suburban Humane Society, our mission is to work towards the day when all dogs and cats are loved and cared for and pet owners have access to essential resources so they may enjoy a fulfilling relationship with their pets. In doing so, we strive to:

Provide compassionate care for cats and dogs on their journey to compatible and loving homes.

Engage our community and serve as a resource for a variety of pet-related topics and challenges.

Team with volunteers of all abilities and strengths to build a robust network of support in our community.

Strengthen the human-animal bond through advocacy, humane education and promotion of animal welfare initiatives.

By working together, we can change the lives of the dogs and cats that have forever changed us.

Why Continue your Legacy With WSHS?

More Than a Shelter

WSHS not only shelters cats and dogs, we strive to be a community resource for all pet owners.

Our unique STAR (Special Training and Development) program provides extra training for dogs who need assistance transitioning into suburban life which broadens the available pool of adopters and increases successful life-time placement of that dog.

We provide Humane Education programming (both online and in person) for adults and children to improve standards of care of all cats and dog and facilitate an closer bond between humans and animals.

We share dozens of pet-related resources, for all pet owners, with an emphasis on financial resources to help keep pets with their families even in times of crisis.

Your Support is Important

WSHS is an independent non-profit animal rescue primarily funded by donations from individuals, local businesses, and local family foundations. The inclusion of WSHS in your estate plan helps assure the continuity of our resources for pet owners in the surrounding communities.

3 Simple Ways to Continue Your Legacy

Include WSHS as a Beneficiary In Your Will or Trust

It is important to have a will or trust in place, especially so that any pet(s) you own when you pass are cared for by someone of your choosing. You can also include a gift to WSHS in your will or trust. If you do not have an estate planning attorney, your county's bar association can give you a referral that may come with a free consultation.

Make WSHS a Beneficiary of Your Retirement Plan

You can donate to WSHS from your retirement account during your lifetime or as part of an estate plan. Talk to your financial advisor about making qualified charitable distributions during your lifetime or making WSHS a beneficiary of any amount remaining in your retirement plan after you pass. Both options provide you with tax savings.

Donate Your Life Insurance Policy

If you have a life insurance policy, you can make WSHS the beneficiary for part or all of the death benefit or, for certain policies that are fully paid for, transfer ownership to WSHS. Talk to your insurer for more details and about the tax savings advantages.
