Letter from West Suburban Humane Society's Executive Director

On behalf of myself, the Board of Directors, staff and volunteers, I want to thank you for your continued support of the West Suburban Humane Society (WSHS). In 2015, WSHS celebrated 43 years of helping animals in need. I am proud to have been a part of this great organization for the past 16 years as executive director and 27 years as a volunteer.

Our adoptions continue to grow year after year. Last year we adopted a record 807 animals into their forever homes. All of these animals were spayed/neutered and microchipped before leaving the shelter. This is a big step toward our goal of preventing pet overpopulation and reuniting lost pets with their owners.

One of my lifelong dreams was realized when we were able to hire a part-time humane education manager. Through her leadership, we have implemented seven presentations that can be tailored to academic and social needs with collaboration from the classroom teacher or group leader, shelter tours, after school programs for kids of all ages, five weeks of Junior Volunteer Summer Camp and Party Pals. This is an important step in achieving our mission of educating children in the humane treatment of all animals.

More than 500 dedicated volunteers contributed more than 37,000 hours of service to help animals in need. Our STAR training program improved dog behavior and dramatically shortened shelter stay; and our foster care homes gave the smallest and sickest ones their chances for survival and healthy lives. Staff and volunteers teamed up to save more lives and to strengthen our organizational commitment to finding animals their forever homes.

I want to extend a heartfelt thank you to our supporters who generously contributed in 2015. We couldn't do what we do without your help and generosity. Your donation truly does save lives!

Sincerely,

Carolyn Mossberger

Letter from West Suburban Humane Society's Board President

With Thanks to Our Family of Supporters

I am pleased to present our 2015 Annual Report and provide a brief summary of our past year highlights. We launched a revamped website, www.wshs-dg.org, which you should find informative and easy to navigate. We highlight our available cats and dogs via our virtual kennel. To that end, we adopted 807 cats and dogs last year into loving homes. We continue to support our vision to ensure that every animal receives the best total care prior to adoption by the most compatible owner. I am proud to be a part of an organization that goes above and beyond to enrich their lives while they await their forever homes. We stand apart by providing training, rehabilitation, and necessary medical procedures to those who need it.

We added a humane educator to our organization. This position had an immediate positive impact by enabling us to offer several summer camp sessions, school visits, and shelter tours. We look forward to our educator expanding this program to further our mission. We believe in educating the public on appropriate pet care and safety.

We remain financially stable by continuing our fundraising efforts in many different ways. From online auctions to grant proposals to fantastic events like BarkaPALooza, we are constantly brainstorming strategic ways to add to our supporter base. We encourage you to consider participating in our Paw Pals program or join our Legacy Society. Without your support, we do not thrive.

Our board members are ever vigilant on monitoring costs and strategic planning. In six short years, we will celebrate our 50th anniversary. While striving to be the premier cat and dog adoption and care facility in the western suburbs, we intend to remain a grass roots organization. This philosophy does not diminish our dream of a new facility. Sometimes the exterior does not reflect the true heart and foundation of what is inside. For anyone who has ever stepped foot in our door, it is apparent that we need to update our center. It is a given that financial contributions are literally the building blocks of our organization. We look forward to providing further updates on our progress.

Finally, I encourage you to stop by, take a tour, see the cats and dogs, and visit with our more than 500 volunteers who generously donate more than 37,000 hours of their time to ensure that the cats and dogs are well cared for.

We would not exist if not for our supporters and partners. On behalf of our entire board of directors, staff, and volunteers, we offer a heartfelt thank you.

Sincerely,

Jennifer Bahlmann
President

About WSHS

West Suburban Humane Society (WSHS) is a volunteer-based, animal welfare organization that was founded in 1972 as a lost and found referral service. We provide housing for up to 25 dogs and 60 cats at a time. We operate at full capacity at all times with animal care and adoptions being provided by 2 full-time and 6 part-time employees and nearly 500 volunteers. Our facility is open to the public 6 days a week. We continue to reunite lost animals and their owners by maintaining a database with information on over 33,000 pets and their owners, and by providing free pet identification tags to all pet owners.

Mission

WSHS is dedicated to operating a premier animal shelter for the purpose of finding safe, permanent and compatible homes to adopt domestic dogs and cats. We are committed to educating and encouraging the public to humanely care for dogs and cats.

Vision

WSHS will achieve and sustain its reputation for being the premier humane organization in Illinois. To achieve such recognition, WSHS will focus on the following critical components:

Advocacy: WSHS will promote the humane care of dogs and cats by working with government agencies and other agencies to promote the humane care of animals.

Care: WSHS will be the preeminent provider of animal care, working with high quality veterinarians to provide the most appropriate medical treatment for non-terminal conditions of cats and dogs in our care. Further, WSHS will develop innovative practices, such as working with reputable trainers in the area to ensure that every animal in our care receives the best total care before being adopted by the most compatible owner.

Education: WSHS will educate our staff, volunteers and members of the community on proper pet health care and safety. We will provide ample information and constant support to our adoptive families and act as an invaluable resource for educating the public at large.

Fundraising: WSHS will remain financially solvent and transparent so that we can continue to focus on finding new sources of revenue and maintaining our relationship with those who have provided financial contributions.

Values: We believe in the following core values:

- Serving as a resource to educate the community and animal owners about responsible dog and cat care.
- Providing high quality medical treatment for animals in our care.
- Controlling the pet population through spay and neuter
- To always act ethically and in the best interests of both animals and potential adopters.
- Appreciating our dedicated volunteers and staff
- Working as a team to develop creative solutions for potential adopters and achieve the best results
- Having fun and enjoying our work

WSHS Success Stories

Heifer – A Life Saving Surgery

Heifer was one of six babies born to mom Oreo. All seemed fine until she reached about 10 weeks of age. That was when her foster mom noticed that Heifer seemed lethargic and wasn't able to keep up with the rest of the puppies in her litter. Heifer was taken to the vet and diagnosed with a condition called PDA (Patent Ductus Arteriosus). This is a condition where a duct that closes at birth fails to do so and the results can be fatal. In order to correct this problem she needed to have surgery at U of I in Urbana, IL. Without surgery, most puppies die at a very young age. We needed to act soon if we expected a good outcome.

Yes, there were six puppies in this litter, so why save this one? Because that is what we do. How could we turn our backs on this little baby? Heifer is a loving, sweet puppy who would live a normal dog's life as long as she got this critical surgery. Many shelters would simply euthanize a puppy with a congenital conditional such as this, but that is not our way. Every life matters and Heifer never signed up for a life-threatening condition. The good thing about PDA is that once it is fixed, the dog is expected to live a long and normal life. That is all we wished for little Heifer, a chance at a healthy life and a forever home. Through the generosity of our supporters, Heifer was able to have the surgery and has made a full recovery. She has also been lucky enough to find her forever home.

Rocky – Against All Odds

A total stranger walked into our shelter this past July holding a cardboard box with a 4-week-old kitten inside. He was cowering in the grass, cold, hungry and alone. He'd been abandoned by his mother, was severely underweight, and breathed in low, deep rasps. At another shelter, this might have been the end of Rocky's story.

The staff rushed Rocky to the vet where he was put in an incubator and given fluids and antibiotics. After X-rays and blood work we discovered he had pectus excavatum, a genetic condition that could require surgery as he grows. At another shelter this might have been the end of Rocky's story.

Instead Rocky spent several days at the vet and was eating, gaining weight and thrilling his cheering section at the shelter. He got well enough to go to an experienced foster home where he stayed for two weeks until he suddenly stopped eating. He lost most of the weight he'd gained and we didn't know what was wrong. We took him back to the vet where he was diagnosed with a diaphragmatic hernia and given a 50/50 chance of surviving surgery. At any other shelter, that might be the end of Rocky's story.

We sent him to a surgeon who discovered he didn't have a hernia after all but had gastroenteritis. He needed IV fluids, medication and antibiotics for two weeks.

Today Rocky is sleek, thriving and enjoying life in his forever home. The joy he brings to everyone he meets more than justifies the cost of his care. Without the gifts our supporters give to the shelter each year, Rocky's story would have had a very different ending. We never turn our backs on an animal in need, no matter how great the cost, but we need your help to continue our mission.

Both of our 2015 Success Stories highlight the importance of WSHS' foster care program. While we love when our animals find forever homes with their foster parents, this also means WSHS always needs new foster families! Apply to be a foster care family at www.wshs-dg.org

WSHS' Partners

WSHS is dedicated to operating a premier animal shelter that provides the best treatment for dogs and cats in its care. However, like most everything, quality services come at a price. Due to the shelter's tight budget, many animals would not be able to receive adequate care without significant withdrawal from the organization's operating budget and/or large increases in adoption fees. Luckily, WSHS is fortunate enough to have many partners that provide essential services for a fraction of their retail cost. This generosity allows WSHS to continue to care for and place animals into their forever homes at a reasonable fee for adopters and manageable budget for the shelter.

WSHS attributes a large portion of our success to the generosity of our partners who provide an array of essential services. We thank them for their dedication towards animal welfare, and continued commitment to WSHS.

Why Give to WSHS?

At the West Suburban Humane Society, we never turn our backs on an animal in need.

Since our founding in 1972, the shelter has relied completely on the generosity of its donors to provide animal care and shelter for thousands of cats and dogs. The contributions of caring and generous individuals -- volunteers, adopters, community members -- have empowered us to take in a cat with a broken leg, a dog with a heart condition, and make sure those animals live their lives as a family's loving companion.

Where another shelter would euthanize a cat with heartworm, we make sure she gets the medication she needs. Where another shelter would turn away a litter of puppies with Parvo, we take them in and treat them until they are well. Where another shelter would euthanize a dog or cat that stayed for months, just to make room for another animal, we remain committed to getting that animal a home.

Our needs are as varied as our success stories and as big as the job we do. We're seeking funds to save lives, first and foremost. Veterinary care costs our shelter more than \$50,000 each year, and that's with the generous discounts our partner vets are able to provide. Pet food and animal care, all add up to more than \$200,000 annually.

In addition, WSHS is planning for a new shelter. Our building is old and was not designed as a shelter, and though we do the best we can with what we have, our mission is to operate a premier animal shelter, giving our animals, volunteers and adopters the best experience we can. While we operate on a very tight budget, several generous gifts have provided seed money to begin exploring shelter plans and construction designs.

Before we can commit to such a large project, however, we need to ensure all our current needs can be met. Our first responsibility is to our animals, and as we look to the future we must maintain the present. Your gift to the WSHS -- whether an annual gift, a monthly donation, a corporate sponsorship or a legacy gift -- will save lives right now, and ensures that our mission of caring for homeless dogs and cats continues.

Because of you, we've been able to provide quality animal care for more than 40 years. With your help, we will continue to provide it for at least 40 more.

All donations to WSHS are 100% tax deductible. For any questions regarding donations to WSHS, please contact Carolyn Mossberger, Executive Director, at 630-960-9600 or director@wshs-dg.org. WSHS extends our sincerest gratitude to our entire community for their continued commitment and support of the shelter.

Ways to Give to WSHS

Paw Pals

You can't take them all home, but you can help them all find homes! Make a monthly contribution via credit card, and become a Paw Pal to all the shelter pets. Your donations become income the shelter can count on, which means more animals will be able to depend on us for a safe, warm place to live while they seek their forever homes. Give at any level starting at just \$5 per month, and receive a free gift, special recognition in our newsletter as a Paw Pal, and the knowledge that each month, you are providing WSHS with the help it needs to save cats and dogs.

Corporate Giving

Does your business stand for great service? Quality products? Do you want your customers to know you value and give back to the community where they live? Make a corporate gift to WSHS and your contribution will be recognized on our website, in our annual report and newsletters, which target thousands of residents of the western suburbs every year. WSHS recognizes a wide variety of corporate giving levels and welcomes all tax-deductible contributions:

Senior Animal Affiliate: \$500
Constant Companion Contributor: \$1,000
Best Friend Benefactor: \$2,500
Senior Best Friend Benefactor: \$5,000

Legacy Society for Planned Gift Donors

Leave a lasting mark on the world by making a gift in your will or trust. A planned gift can provide years of quality services to animals at the WSHS shelter, and helps ensure our future. You can make a tax-deductible contribution in a way that meets your needs and priorities, and become a member of our Legacy Society. You'll receive recognition on our Legacy Society donor wall at the shelter and an invitation to our annual Legacy Society thank-you event.

Special Event Corporate Sponsorship

BarkaPALooza, sponsored by ... you! A gift in support of a WSHS special event provides your business with immediate recognition as an event sponsor, making sure your potential customers know you are an asset to the community! Special Event Sponsorships are available as cash, in-kind donations and combinations, meeting donors' needs as well as the needs of the animals.

What Makes WSHS Special

In 2011, WSHS was able to recognize one of our biggest dreams. We remodeled our cattery and went from cats living in cages to cats enjoying a spacious, open cattery. Since opening the cattery, our cat adoptions have increased by 5%. Outbreaks of upper respiratory and other feline illnesses have decreased by almost 50% The cats are happier, healthier and more adoptable!

In 2007, WSHS founded one of our most important programs, the STAR (Special Training and Reinforcement) program. The STAR program sends dogs with behavioral problems to camp. The problems can range from difficult-to-handle or aggression to shyness and overall confidence building. Many animals have been neglected and abused and have developed negative behaviors to help them cope. The program allows dogs a smoother transition to successful adoption placement. In addition, the quick transition helps to free up available space for other animals needing to be placed up for adoption.

In 2015, WSHS was able to hire a part time Humane Education Manager. Since that time we have implemented 7 presentations that can be tailored to academic and social needs with collaboration from the classroom teacher or group leader; shelter tours; after school programs for kids of all ages; 5 weeks of Junior Volunteer Summer Camp; and Party Pals.

At WSHS, a dedicated staff, volunteer base and the retained service of several veterinarians has allowed us to save the lives of and place over 600 homeless animals each year into new homes. Every animal that is brought to our shelter receives whatever type of veterinary care that is needed, including surgery and hospitalization for trauma cases, long-term care and medication for viral and bacterial infections, and treatment of parasite infestations such as heartworm. Orphaned kittens and puppies as well as the infirm receive loving care in our Temporary Care Homes until they are ready for adoption.

Thank You to the WSHS Legacy Society Members

Thank You to the 2015 WSHS Volunteers

WSHS is very fortunate to have a dedicated group of volunteers. With their help, WSHS is able to operate smoothly 24 hours a day, 7 days a week, 365 days a year. In 2015, more than 590 volunteers contributed more than 37,000 hours cleaning animal areas, maintaining the shelter, assisting potential adopters, transporting animals, and of course, caring for the cats and dogs. Volunteers are also involved in special events and fundraisers, including several adoption events, Petals for Pets plant sale, and BarkaPALooza. Additionally, WSHS volunteers contribute their time and expertise to the shelter by serving on special committees such as the Fundraising Committee and Humane Education Committee. WSHS is also fortunate to have more than 120 volunteers who act as temporary care or foster homes, providing constant and more individualized care for cats, dogs, puppies, and kittens in their homes.

The staff of WSHS believes our volunteers are the best in the business and we're not alone. Volunteers are the heart of WSHS. The passion and commitment of our volunteers makes it possible for WSHS to achieve our mission of rescuing, providing care, and placing so many animals in their forever homes. On behalf of the entire staff and the Board of Directors, thank you to all of our volunteers.
